- Pay:** \$450/week
- Employment:** June 26 -August 4. Monday-Friday. 8:30am-5:30pm. Some overnights.
- Training:** All Staff Training 6/21-6/23
- Location:** Incline Elementary School, Incline Village
- Core Duty:** Lead Campers through activities while ensuring their physical & emotional wellbeing.

Camp Explore is seeking Camp Counselors to lead campers through daily outdoor activities. Our Camp Counselors absolutely love kids; they have the patience of a monk, the imagination of a 4 year old and the knack for making kids laugh. They truly have a heart of gold and get that *warm and fuzzy* feeling when their campers show up for the day.

A Day in the Life of a Camp Counselor:

- Intervene bullying
- Quickly create a game or burst into song
- Encourage campers to finish the grueling hike
- Stop & appreciate a Bark beetle
- Jump in the lake & paddleboard
- Roast the perfect marshmallow over the campfire

This might be for you if:

You love teaching and motivating youth. Inspiration flows through your veins and you enjoy setting the example of a good role model. You don't stop until you see the change; you work hard and play harder. And no matter how tough and long the days may seem you still get a kick out of leading a night hike and pointing out constellations to your campers.

You are easygoing and are able to go with the flow, no matter the chaos. You enjoy the challenges each day brings, from balancing a kid throwing a fit in the middle of a hike and having another run ahead of the group. You are a cool cucumber and a quick thinker. You are capable of thinking up games and songs and make campers laugh at the drop your hat. When things change you know how to roll with the punches and adapt to the camp way of life.

Even more impressive, you are in tune with others and possess the gift of figuring out what is wrong even when they don't feel like opening up. Your campers will always be looked after under your watch, physically, emotionally and mentally. You are the type of person who will not stop being silly until you know that your campers are 100% happy.

You've Got:

- First Aid & CPR Certification
- A passion to work with youth
- A Silly & Fun personality
- Experience working with youth

Extra Awesome:

- Valid Driver's License
- Hardworking & Un-ending energy
- Have a brain full of camp songs & games
- Enjoy overnight camping

How to Apply:

To land this gig, you need to have a love and passion for working with youth. You would be super rad if you have experience in this field. It does not need to be formal intense child education course or full on childcare; just let us know where you picked up your helping- kids super powers in a cover letter or resume. Complete the attached application and email, fax or drop off directly to our main office. Once we receive your application we'll notify you if your application is being considered.
